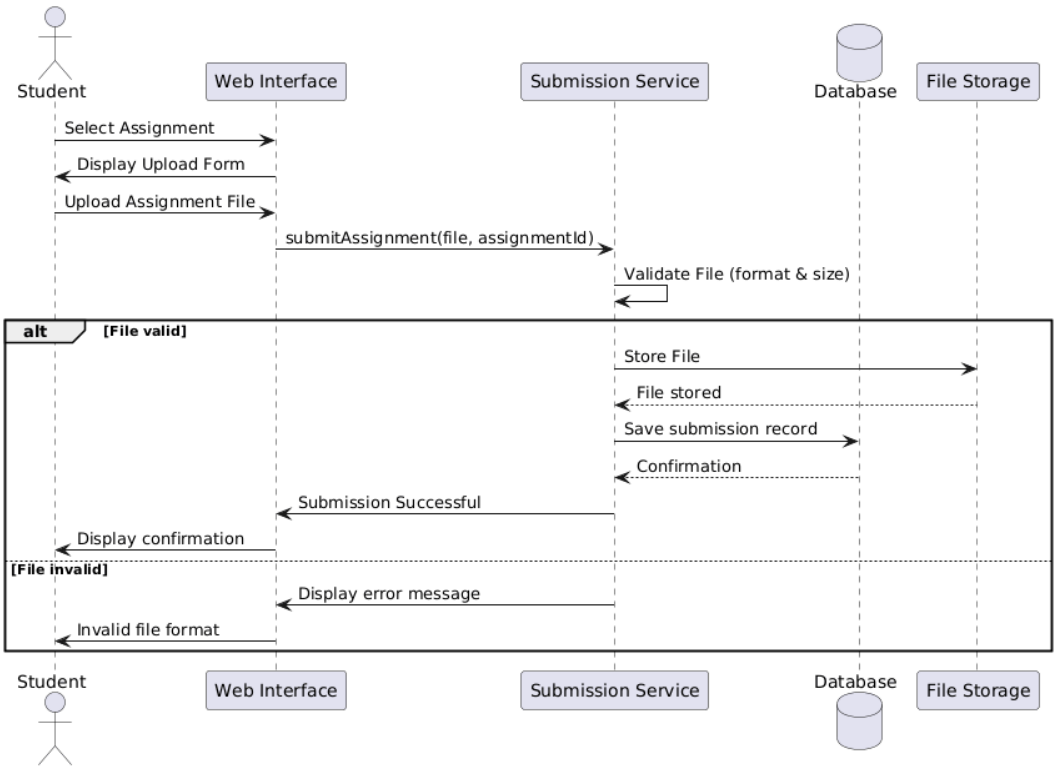
Lab 9

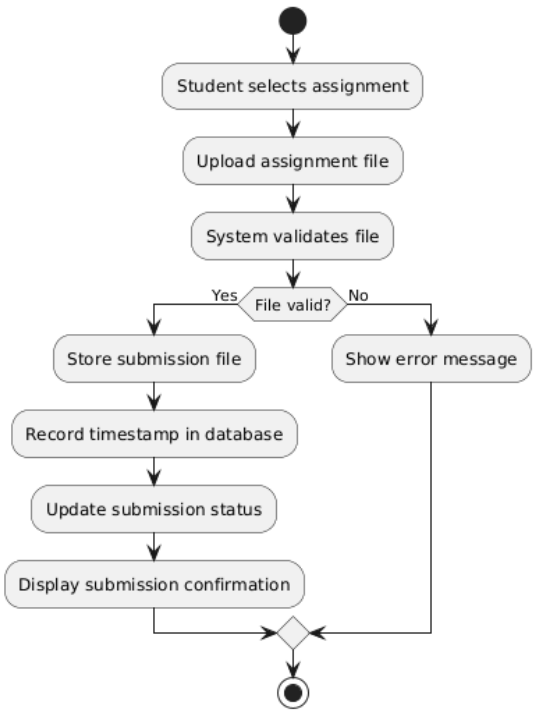
Aim: Identify any two-use case from the system and draw two Sequence & Activity diagrams for those use cases.

Use Case : Submit Assignmnet

1. Sequence Diagram:

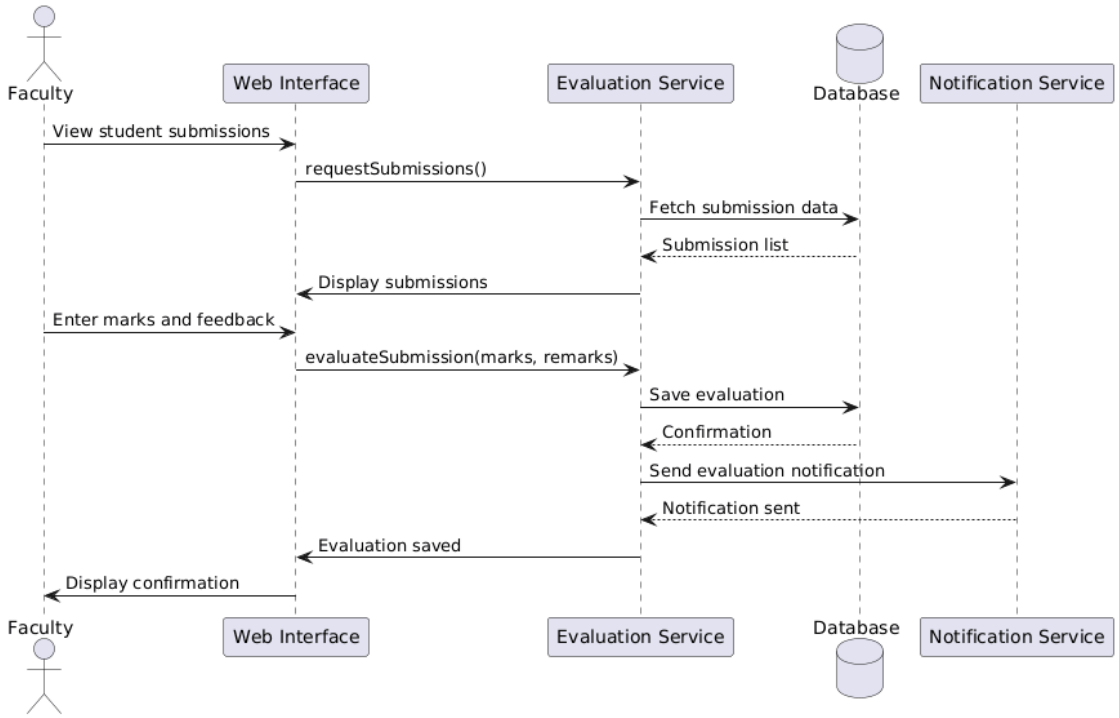


2. Activity Diagram:

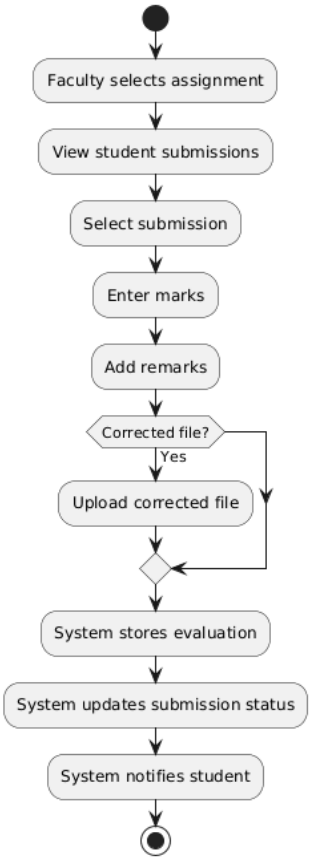


Use Case : Evaluate Assignment

1. Sequence Diagram:



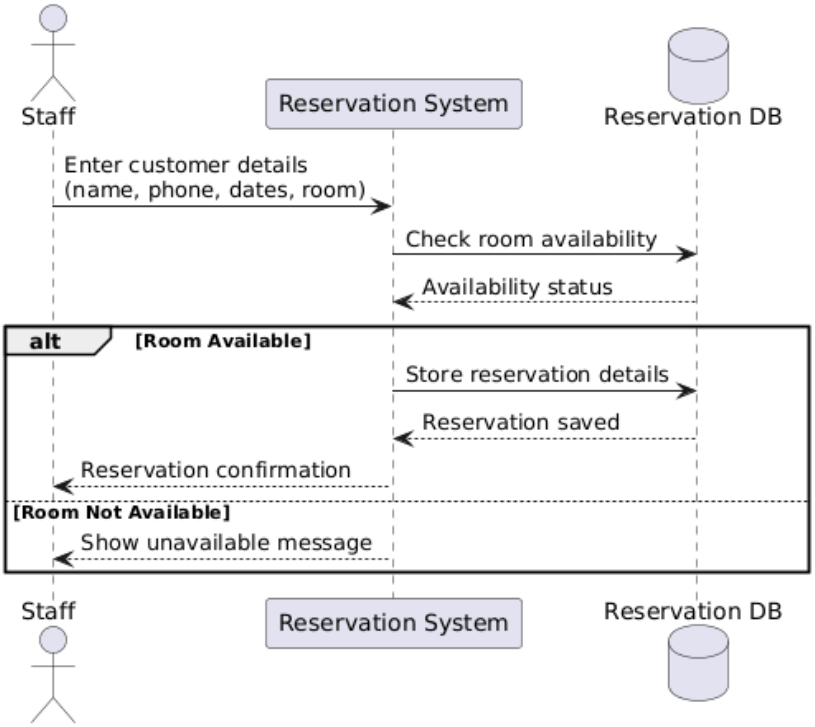
2. Activity Diagram:



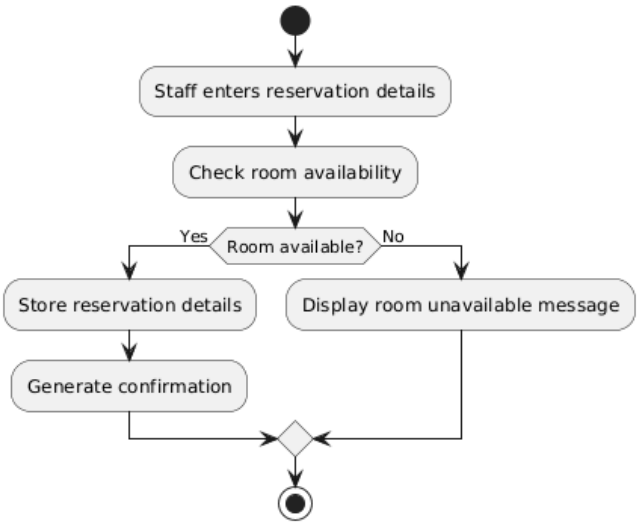
Case Study 1 : Bed & Breakfast (B&B) Reservation System

Use Case: Create Reservation

1. Sequence Diagram:



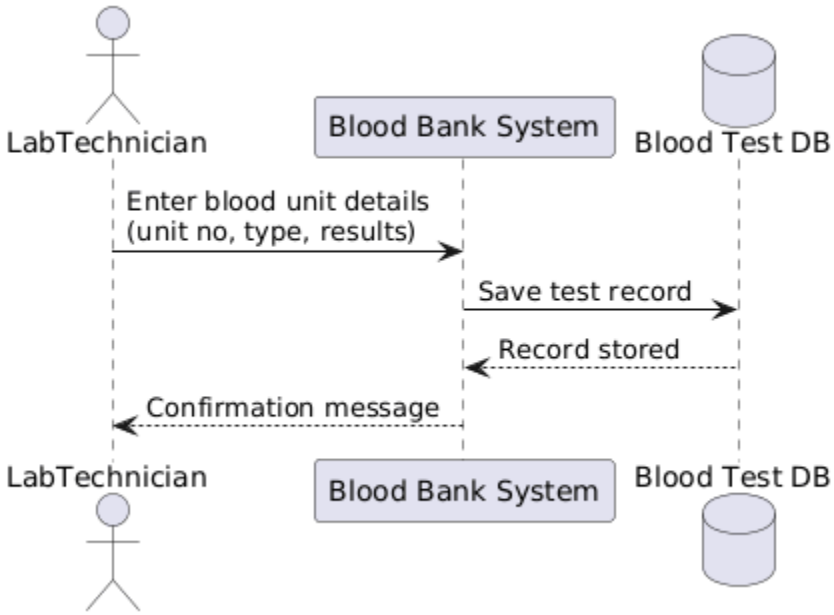
2. Activity Diagram:



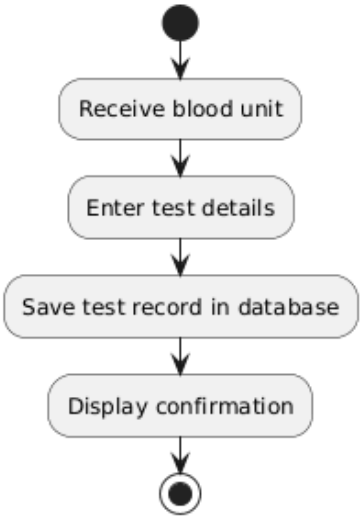
Case Study 2 : Blood Bank Testing & Distibution System

Use Case: Recod Blood Test

1. **Sequence Diagram:**



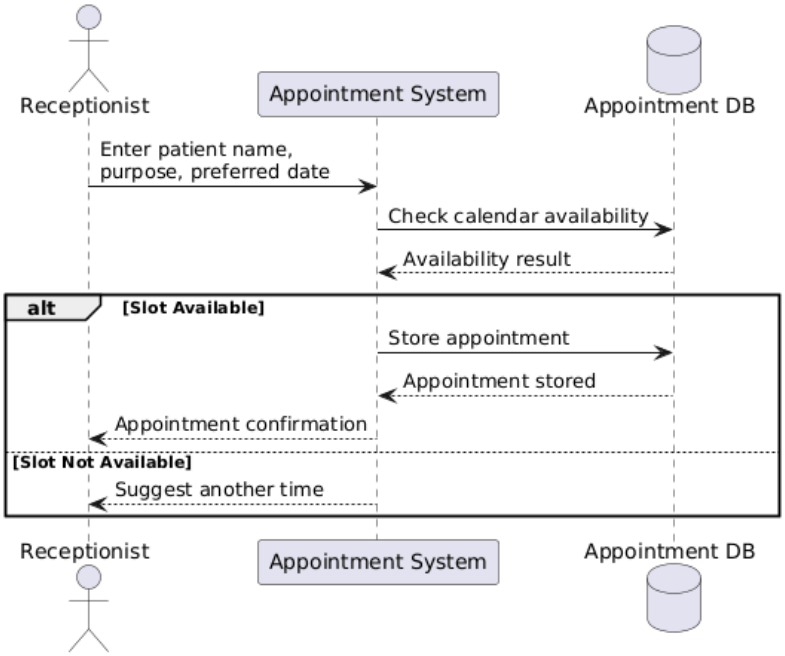
2. **Activity Diagram:**



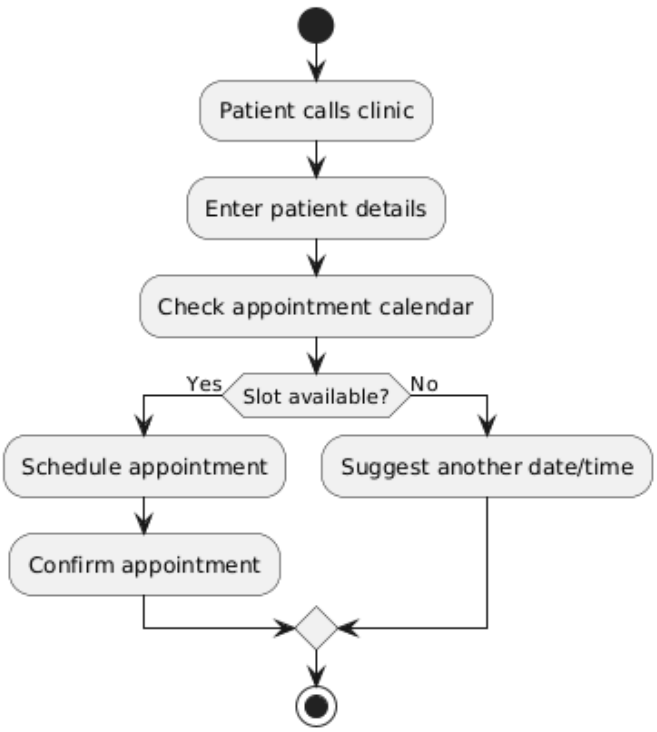
Case Study 3 : Dental Clinic Appoinment System

Use Case: Schedule Appointement

1. Sequence Diagram:



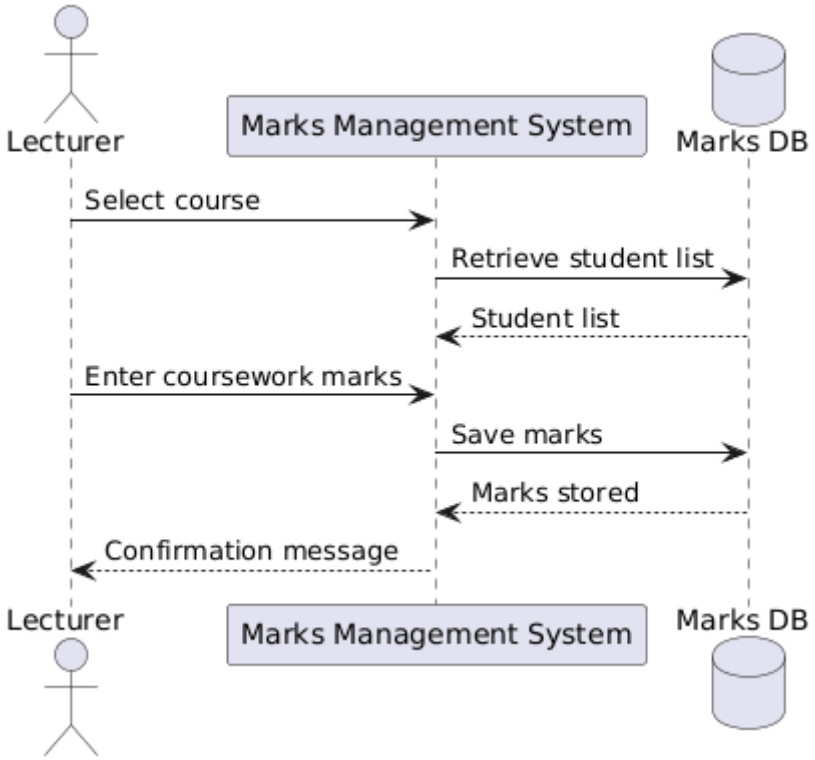
2. Activity Diagram:

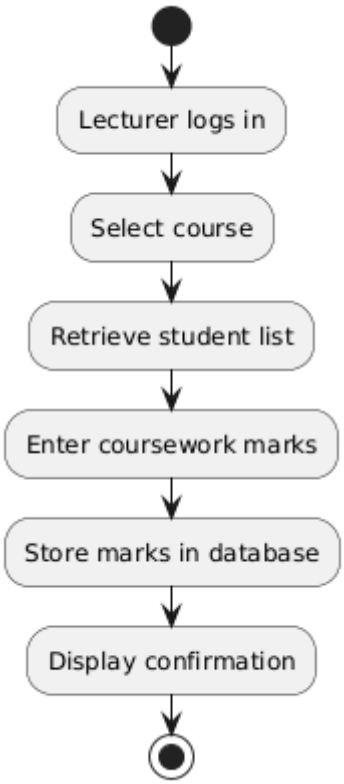


Case Study 4 : Course Marks Management System

Use Case: Enter Coursework Marks

1. **Sequence Diagram:**





2. **Activity Diagram:**
